**Fourteenth Oxford-European Wound Healing Summer School
 4th to 7th August 2010**

Theme: Wound healing: old problems – new solutions

Registration will take place on Tuesday, 3rd August 14.00-18.00 and on Wednesday, 4th August from 7.30 onwards in the Porters' Lodge

Wednesday, 4th August

MARY OGILVIE THEATRE

- 9.00 - 9.20** **Welcome and Introduction to Summer School**
Dr George W Cherry
Oxford, England
- 9.20 – 9.40** **The role of the University of Oxford in understanding the pathophysiology of wound healing over the years and the clinical development of penicillin**
Professor Terence Ryan
Oxford, England
- 9.40 – 10.00** **The benefits and the hindrance of wound healing evidence from the Cochrane studies**
Professor David Leaper
Cardiff, Wales
- 10.00 – 10.30** **The challenge of using randomized trials in wound healing**
Professor Finn Gottrup
Copenhagen, Denmark
- 10.30 - 10.50** **Evidence versus Experience versus Excuses**
Professor David Leaper
Cardiff, Wales
- 10.50 - 11.10** **COFFEE AND EXHIBITS - MARQUEE**

Wednesday, 4th August

WOUND BIOLOGY SESSION

- 11.10 - 11.40 Basic Wound Healing Biology - implications for clinical practice**
Professor Greg Schultz
Florida, USA
- 11.40 - 12.05 When can we expect simple non-invasive biochemical markers for predicting healing outcomes in chronic wounds - impossible task?**
Dr Tim James,
Oxford, England
- 12.05 - 12.20 Bio-mimicry in wound care - a new approach to wound management**
Dr. Hugh Munro
Ramsbury, England
- 12.20 - 12.35 The importance of lifestyle in healing in young and elderly patients**
Dr Margaret Hughes
Oxford, England
- 12.35 - 12.45** Group Photograph
- 12.45 - 13.45 LUNCH AND EXHIBITS - MARQUEE**

MARY OGILVIE THEATRE

13.45 – 15.15 ArjoHuntleigh Sponsored Symposium

Using Medical Technology in Wound Healing

Topical Negative Pressure (TNP) Therapy: Biomechanics to bedside. The origin, mode of action and clinical application of TNP.

Professor David Leaper
Cardiff, Wales

The management of catastrophic trauma from the war zone

Lt Colonel Steve Jeffery
Royal Centre for Defence Medicine, Birmingham, England

Therapeutic Support Surfaces: A science not an art

Lyn Phillips
Luton, England

15.15 – 15.45 COFFEE AND EXHIBITS - MARQUEE

15.45 – 17.45 PRACTICAL WORKSHOPS (4 x 30-mins)

SEMINAR ROOM 1 Workshop 1

A: Dressing simple wounds with WoundASSIST® TNP
Paula Llewelyn, Mark Richardson, Tina Todd, Huntleigh UK TNP Team

SEMINAR ROOM 2 Workshop 2

B: Passport to clinical excellence in Pressure Ulcer Prevention
Helen Shoker, Walsall Hospitals NHS Trust, England
Lyn Phillips, Luton, England

Wednesday, 4th August

SEMINAR ROOM 3 Workshop 3

C: **Implementing the International Guidelines for Pressure Ulcer Prevention & Treatment**

Session A: Float the Heels

Dr Jon Evans, Cardiff, Wales

Jonathan Busby, Luton, England

HARTLAND ROOM, HARTLAND HOUSE. Workshop 4

D: **Implementing the International Guidelines for Pressure Ulcer Prevention & Treatment**

Session B: Mobility, repositioning and seating

Fredrik Radencrantz, Eslov, Sweden

19.00 - 22.00 Welcome Social Event

Punting and Buffet Meal at Cherwell River Boat House (warm clothing, informal)

Thursday, 5th August

VASCULAR ULCERS: ASSESSMENT AND TREATMENT

MARY OGILVIE THEATRE

9.00 - 9.30 **Skin problems associated with leg ulceration.**

Julie van Onselen,

Oxford, UK

9.30 - 10.00 **Surgical Management of arterial and venous ulcers**

Miss Linda Hands

Oxford, England

10.00 - 10.30 **The diagnosis of vascular insufficiency in managing leg ulcers**

Dr Jon Evans

Dr Jane Lewis

Cardiff, Wales

Cardiff, Wales

10.30 - 11.00 **Active compression therapy: a dynamic approach to wound healing**

Dr Erik Kueppers

Mr Frans Meuleneire,

Cologne, Germany

Zottegem, Belgium

11.00 - 11.30 **COFFEE AND EXHIBITS - MARQUEE**

EDUCATION AND COMMUNICATION

MARY OGILVIE THEATRE

11.30 – 12.00 **Wound debridement - with special focus on surgical and biosurgical (larva therapy)**

Professor Finn Gottrup Copenhagen, Denmark

Thursday, 5th August

- 12.00 - 12.15 Using Telemedicine to Improve the Patients Experience of Suffering with a Leg Ulcer**
Mr Robin Cooper
Salisbury, England
- 12.15 - 12.30 Utilisation of IT techniques for research and management of patients with wounds**
Dr Mike Clark
Cardiff, Wales
- 12.30 – 12.45 Considering how beliefs of staff and patients might affect wound management.**
Dr Miles Maylor
Oxford, England
- 12.45 - 13.15 Clinical audit; refocus or forget it?**
Ms Lyn Phillips
Luton, England
- 13.15 - 14.00 LUNCH AND EXHIBITS - MARQUEE**

MARY OGILVIE THEATRE

SYMPOSIUM BSN Medical

Daily Challenges – Innovative Solutions in practical management of acute and chronic wounds

Chair: Dr George Cherry

- 14.00 – 15.00 Infection management**
 Antimicrobial therapy in a new light
Frans Meuleneire, Zottegem, Belgium
 Absorption of silver from dressing in children with epidermolysis bullosa
Jacqueline Denyer, London, England
- 15.00 – 16.00 Exudate management**
 Absorption and Adherence – the best of both Worlds
Baldur Baldursson, Reykjavik, Iceland
Ray Norris,
- 16.00 – 17.00 Donor site/epithelialising wound management**
 The Ideal Burn Dressing – Fact or Fiction
Wolfgang Meyer-Ingold, Hamburg, Germany
 Managing donor sites
Ann Fowler, London, England
- 17.00 - 17.30 TEA AND EXHIBITS - MARQUEE**

Thursday, 5th August

17.30 - 18.30

WORKSHOPS

Non-invasive lower limb vascular assessment

Dr Jon Evans *Ms Jasmine Wilson*
Cardiff, Wales *Oxford, England*

Using Telemedicine to Improve the Patients Experience of Suffering with a Leg Ulcer, Software and Application

Mr Robin Cooper *Ms Charlotte Draper* *Mr Simon Dodds*
Salisbury, England *Salisbury, England* *Salisbury, England*

The role of the podiatrist in the management of to diabetic foot wounds with practical demonstrations

Mr Ivan Bristow, *Mr Laurie King*
Southampton, England *Oxford, England*

20.00 - 22.30 Thames River Jazz Boat Trip with Buffet supper (Light warm clothing)

Friday, 6th August

ACUTE WOUNDS

MARY OGILVIE THEATRE

8.30 - 9.00 **Utilisation of plastic surgery knowledge in treating acute wounds in the emergency room in everyday practice**

Mr Marc Swan
Oxford, England

9.00 – 9.30 **Prevention and treatment of wounds in spinal cord injuries**

Dr. Maarten Lubbers
Amsterdam, The Netherlands

MANAGEMENT OF WOUNDS IN DEVELOPING COUNTRIES

Chair: Dr G W Cherry and Professor Kent Jonsson, Botswana

9.30-9.45. **Treatment of wounds in developing countries – Ugandan experience**

Mr. Marc Swan
Oxford, England

9.45 – 10.00 **Update on understanding the problems of wound healing in developing countries - and the solution.**

Professor Terence Ryan
Oxford, England

10.00 – 10.15 **Personal experience of managing wounds in Africa for a number of years – maintenance of the status quo based on the reality of the challenge?**

Professor Kent Jonsson,
Gabarone, Botswana

Friday, 6th August

PRESSURE ULCERS

10.15 – 10.30 Incontinence-associated dermatitis vs pressure ulcers: is there a difference? – the new EPUAP and NPUAP Prevention and Treatment Guidelines

*Professor Tom Defloor
Gent, Belgium*

10.30 – 11.00 Prevention and Treatment of Heel Pressure Ulcers

*Mrs Jacqui Fletcher Dr James Spahn
Hertford, England USA*

11.00 - 11.30 COFFEE AND EXHIBITS – MARQUEE

11.30 – 12.00 New approaches in the prevention and treatment of diabetic foot wounds

*Professor Andrew Boulton
Manchester, England*

12.00 – 12.30 Care of Patients with Fungating Wounds

*Dr Patricia Grocott
London, England*

12.30 – 13.30 LUNCH AND EXHIBITS - MARQUEE

14.00 – 14.30 Cutaneous vasculitic wounds –pathophysiology & treatment

*Professor Marco Romanelli
Pisa, Italy*

14.30– 15.00 Practical pain management for acute and chronic wounds

*Professor Geoff Sussman
Melbourne, Australia*

15.00 – 15.30 TEA AND EXHIBITS - MARQUEE

MARY OGILVIE THEATRE

GENERAL PROBLEMS WITH WOUND INFECTION

15.30 –16.00 Fungus -the forgotten infection

*Mr Ivan Bristow
Southampton, England*

16.00 – 16.30 - Surgical site wound infection surveillance

*Ms Fiona Downie
Cambridge, England*

16.30 – 17.00 A new antimicrobial enzyme system for the control of wound bioburden

*Mr Philippe Sollie
Antwerp, Belgium*

Friday, 6th August

17.00– 17.30 The role of silver dressings in the treatment of chronic wounds
Dr Chris Roberts
Hull, England

LYMPHOEDEMA

17.30 – 18.00 Practical management of lymphoedema - how can it be improved?
Professor Terence Ryan
Oxford, England

18.00 – 18.30 Quantitative Assessment of Lymphoedema with a new instrument
Aki Immonen
Kuopio, Finland

Free evening to visit the historic city of Oxford

Saturday, 7th August morning

MARY OGILVIE THEATRE

Lecture on Nutrition

9.00 - 9.30 Body power and nutrition: nutritional aspects in pressure ulcer care
Professor Jos Schols
Maastricht, The Netherlands

9.30 – 10.00 Pharmacological means of improving wound healing
Professor Geoff Sussman
Melbourne, Australia

WORKSHOPS

10.00 – 11.00 Practical pharmacological means of managing wounds, including appropriate dressings
Professor Geoff Sussman
Melbourne, Australia

10.00 – 11.00 Methods of preventing heel ulcers
Mrs Jacqui Fletcher, Hertford, England *Dr James Spahn, USA*

10.00 – 11.00 Bandaging techniques for the practical management of venous ulcers
Mrs Jasmine Wilson, Oxford, England *Mrs Helen Hobbs, Oxford, England*

10.00 – 11.00 Hands-on Workshop (Mary Ogilvie lecture theatre)
Bandaging and pathophysiology of lymphoedema
Professor Terence Ryan, Oxford, England *Ms Kimby Osborne, Burton on Trent, England*

End of course

Saturday, 7th August morning

13.00-16.00 Optional Social Event) Saturday afternoon Delegates must sign up at the latest by noon Thursday (£20 including return Transportation to St Anne's)

Tour of Historic Blenheim Palace, Birthplace of Winston Churchill (World Heritage Site), short distance from Oxford
